SUFFERINGS OF THE FRENCH TROOPS. but it is not traceable to any reliable source. Proclamation from President Davis

&c., &c.,

ENFORCED

WASHINGTON, Dec. 26 .- A special to th Times says: Official information from Mexico represents the condition of the French army as most critical, their ranks being thinned by sickness and want of wholesome food. Agents have been sent to this country for supplies of various kinds and emlowered to make large contracts for future use. These facts having reached the Mexican Minister here, he has entered his solemn protest against such supplies being allowed to go forward. Secretary Seward, however, declines to interfere. Complaints are made that he even extends to the

French privileges denied to the Mexicans. Whatever cause may exist for the charge, it is unquestionable that much ill feeling is being en gendered in the Mexican embassy. There certainly is no occasion for the general air of doubt that seems to surround men's opin-

GENERAL BUTLER

vis' allegations against Gen. Butler. Peaceful and aged citizens, unresisting cap tives and non combatants, have been confined at hard labor with chains attached to their limbs and are still so held in dungeons and fortresses, Others have been submitted to like degrading punishment for selling medicine to sick seldiers of the Confederacy. Soldiers of the United States have been invited and encouraged in general orders to insult and outrage the wives, mothers and sisters of our citizens. Helpless women have been torn from their homes and subjected to solitary confinement, some in fortresses and prisons, and one especially on an island of barren sand, under a tropical sun; have been fed with loathsome rations that had been condemned

as unfit for soldiers, and have been exposed to Orleans, Dec. 16: Prisoners of war, who surrendered to the naval forces of the United States, on agreement that Gulf, to which is added, by his special order, the they should be released on parol, have been seized and kept in close continement. Repeated pretexts have been sought or invented for plundering the inhabitants of the captured city, by fines levied and collected under threats of imprisoning the accusants at hard labor with ball fortitude withstood the test, and even to lone and the pursuits of peace, as well as upon the support aged women and helpless children; and after being ejected from their homes and robbed of their property, they have been left to starve in the streets or subsist on charity

Slaves have been driven from plantations in

the neighborhood of New Orleans until their owners would consent to share their crops with the commanding General, his brother, Andrew J. Butler, and other officers, and when such consent had been extorted, slaves have been restored to the plantations, and then compelled to work under the bayonets of the guard of United States soldiers. When that partnership was refused. armed expeditions have been sent to plantations to rob them of everything that was susceptable of removal, and even slaves, too aged and infirm to work, have, in spite of their owners, been forced from the homes provided by their owners. and driven to wander helpless in the highway. By a recent order, No. 91, the entire property of that part of Louisiana west of the Mississipp river, has been registered for confiscation, and officers have been assigned to duty with orders to gather up and collect together all the personal property and bring the same to New Orleans. and cause it to be sold at public auction to the highest bidder. An order which, if executed, condemns to punishment, by starvation, of at least a quarter of a million of all ages and sexes, and conditions, and of which the execution, although forbidden by military officers, by the order of President Lincoln is in accordance with the confiscation law of our enemies, which he has

enforced through the agency of cruel officials. African slaves have not only been incited to insurrection by every license and encouragement, but numbers of them have actually been armed for servile war-a war in its nature far exceeding ages-and the officers under command of said

There is a rumor in circulation that General Grant had fallen back neross the Tallahatchie, SAN FRANCISCO, Dec. 27 .- The steamer Constitution, from Panama, has arrived. She reports that the steamship Ariel was captured on the 9th by the pirate Alabma, and detained till RETALIATORY MEASURES TO BE the 10th, when she was allowed to proceed to ward Aspinwall, upon giving bonds in the sum of \$228,000. The arms and ammunition was taken from 120 marines on board, who were paroled

> There is anxiety here lest the Ariel will be captured on her eastern trip to New York and the treasure taken from her. The Ariel's passengers spoke in high terms of the courtesy shown them by the seamen.

SECOND DISPATOR. The Ariel was captured near the extreme end of Cuba. The only plunder secured by the Alabama was \$8,000 in green-backs belonging to

Wells, Fargo & Co. The Alabama last coaled at Martinique. On leaving that port, the United States steamer San Jacinto aimed a gun at her, and simultaneously the fort in the harbor turned her guns on the San Jacinto. This is the statement of Lieut. Semmes. The Alabama claims a speed, under 25 pounds of steam, of 16 knots. She was overtaking the Ariel with only 11 pounds of steam. She fired two guns, when the Ariel hove to.

Capt. Semmes first intended burning the Ariel and putting the passengers ashore at a little setions in regard to the President's policy after the tlement of buts on San Domingo, but Captain Jones protested, saying that half the passengers would die in consequence. Semmes then pro posed to land them at Kingston; but, after much parleying, an arrangement was effected to release the steamer on bonds payable in thirty days after the acknowledgment of the independence of the Southern Confederacy ontside supplies cannot be forwarded to the army.

Our troops have already made many rude wooden NEW YORK, Dec 27 .- The latest advices from Galveston, Texas, represent all quiet.
